DÁŠA KUBÍKOVÁ: It all began in 1992 when Dasa started her career behind the microphone working as a reporter for the Czech Radio - Brno covering the counties of Jihlava, Trebic and Zdar nad Sazavou. After the Vysocina Radio Station had been established, she made her comeback to work as a radio host in Tandem. Working in the radio had been her dream since the second grade of elementary school. She had always listened to it and longed to be its part. She has a degree in English and French and is currently working on her Spanish. Occasionally, she translates or proofreads documents or books. She is a mother of three and in her busy schedule she finds the time to attend concerts, read books, exercise and take photographs.
